## IEC English Teacher (Shihezi, Xinjiang Autonomous Region, China)

The International Education Center (IEC) of GreatChina International Education (GIE) is looking for a full-time English Teacher for its Shihezi office – Shihezi No.1 Secondary School. This position is expected to start from **December 1, 2017**. The IEC plays a pivotal role in assisting each school with enriching student learning environments by integrating aspects of international education into the classroom. Teachers within the IEC serve both students looking to remain in China for higher education as well as students who plan to study college and university abroad. Teachers in the IEC of each school are placed in a supportive environment that encourages professional development through collaboration with experienced faculty and staff. Competitive salary is based on skills, certifications and experience with additional benefits that may include housing or allowance, flight allowance, completion bonus, visa sponsorship and reimbursement, paid holidays and sick leave, Chinese language lessons, and a bilingual assistant.

### **Company Background:**

Launched in 1996, GIE is registered at the federal and state levels of the U.S., recognized by the Chinese Consulate General in LA and Houston, and certified by the National Association of Foreign Student Affairs (NAFSA), the National Association for College Admission Counseling (NACAC), and International Consultants for Education and Fairs (ICEF). GIE has also been approved by Chinese authorities including the Ministry of Education, the Ministry of Public Security, the Administration for Industry and Commerce, the Bureau of Civil Affairs and the Administration of Foreign Experts Affairs. GIE provides comprehensive services in study abroad and test preparation, international education, cultural and educational exchange, career planning, and investment immigration to Chinese students and families.

### **School Background:**

Shihezi No.1 Secondary School was started in 1954 and was awarded as one of the first key schools in Xinjiang Autonomous Region in 1981. The campus covers 22,000 square meters with 90 classrooms, 30 laboratories and other 28 classrooms for Science and Arts. The school faculty numbers 310 professionals, including 90 senior teachers, 100 first ranked local teachers and 2 national model teachers etc.

Aiming at cultivating high-quality talents for 21<sup>st</sup> century, Shihezi No.1 Secondary School continually moves forward to embrace modern science and technologies with

### **About Shihezi City**

[Taken from Shihezi Official Website] Shihezi City is located in northern Xinjiang Autonomous Region, China. 150 km west of Urumqi, Shizhezi is a garden city with its exquisite environment, and also known as the Pearl of the Desert.

In history, Shihezi was a remote and deserted place. Before 1950, it was covered by reeds and wild animals haunted, dozens of farmyards scattered. Since the development and construction from February of 1950, people in Shihezi have reclaimed land and guarded the border areas ,united together and worked hard to build one after another miracles in Gebi Desert. Nowadays, Shehezi reclamation region comes to be a new oases with many farms, Shihezi develops to be a comprehensive industrial city with light industry dominated and gains good names of“Jiangnan Scenery beyond the Great Wall” “Desert Pearl”.
